BEFORE YOUR ARRIVAL

As many Spa treatments improve blood circulation and during which special body pressure techniques are applied, we advise against eating a heavy meal before your treatment. However, a light snack is appropriate. Alcohol is forbidden before any Spa treatment.

The Spa has lockers to store your personal items. We recommend that you do not bring your valuables in the room. The Spa has no responsibility for any loss of personal belongings. If the treatment you choose includes water treatment, please wear a bathing suit.

AT YOUR ARRIVAL

Please come at least 15 minutes before your appointment. Arriving with delay will reduce the available time for your treatment. It will therefore reduce its effectiveness and your pleasure. This is your moment and you have to enjoy the experience to the fullest. Please let us know about any preference regarding room temperature, pressure and music. Your care is our highest priority.
